NextGen Theme

This theme is using the card system, meaning that a layout (accordeon, listbox, complexe) will be a card, and card will be display on the screen depending on their width. Layout have default size (20rem or 100%), and they can be modified by adding half or full on the node ID.

Name	Tested	On Home Page	Default Size
List box	2	x	20rem
Accordeon	2	x	full
Search Layout	2	x	full only
Complexe Table	2		full only
HelpText	2	x	full
MemoText	2	x	full
PropertyTable	2	x	20rem
Flat List	2	x	20rem
Jvector	2	x	full
Casewise chart	2		20rem
Network	2	x	full only
Pivot	2	x (with saved cwpivot only)	full only
Custom Query	2	x	full only

you can add this text in the node id of your property group or list box to change the size of it.
